

The Netherlands Helsinki Committee(NHC) is looking for a highly motivated professional for the position of:

**Programme Manager for our Rights-Based Justice Programme
(32-36 h/w)**

About the NHC

The Netherlands Helsinki Committee is a non-governmental organisation that promotes human rights, the rule of law and justice across wider Europe. Building on more than 35 years of experience, our mission is to inspire, engage, and support catalysts of change in building just and rights-respecting societies.

We strengthen capacities, amplify voices, and build bridges between civil society, governments, and justice actors. Through advocacy, peer-to-peer exchange, and collaboration, we address challenges such as shrinking civic space, accountability for serious human rights violations, and threats to democratic governance.

Our office is located in the heart of The Hague at 'het Nutshuis' and hosts an international team working across projects focused on areas of Human Rights Defence, Integrity and Accountability, and Rights-Based Justice.

About the role

The Programme Manager (PM) is a member of the Management Team (MT) and is responsible for leading a Programme Team. Within the MT, the PM is jointly responsible for the overall organisational development and strategic decision-making. Fundraising and network building:

- Ensures implementation of strategic goals and continuity through acquisition of new funding, development of project proposals and engaging with (new) potential donors;
- Collects and generates input from the MT and the team to define priorities for project development, donor engagement and managing networks.

Programme development and financial oversight:

- Responsible for the programme's finances by monitoring overall project budgets, fundraising and planning; in coordination with the Executive Director and Financial Controller.
- Oversees/supervises implementation of projects by the team, including budget depletion, project deliverables, and high quality and timely financial and narrative reporting (to donors). Supports implementation when needed.
- Ensures visibility for the overall strategic goals and direction of the programme.
- Reports on progress of the programme to the Supervisory Board and meaningfully engages with members of the Committee, using their expertise and networks into full potential.

Integrity and team development:

- Implements the HR cycle by organising and reporting on personal development reviews, check-ins with staff members, recruitment of new team members , and tracking staff development.
- Ensures a good working environment and within established frameworks and responsibilities, gives others the confidence to provide high quality work and space to act independently, experiment, grow and make mistakes.
- Explores what motivates others, provides honest and constructive feedback, and ensures that others feel involved.
- Ensures integrity and compliance with ISO 9001 certification by actively applying the quality system in the team, including its instruments, policies and processes.

Required qualifications and skills
